

Emergency Services Public Information Officers of Colorado

June 2011 Membership & Training Meeting

Colorado PIOs Joint Information System: Online Tools for Coordinated Communications Presented by Brandon Williams PIO, Colorado Division of Emergency Management

When: Thursday, June 9, 2011

9 a.m. — Coffee & Networking

9:30 a.m. — Membership meeting & training

Where: Adams County District Attorney's Office

1000 Judicial Center Dr., Suite 100, Brighton, CO 80601

What: Learn about the Colorado PIO Group online Joint Information System (JIS). We'll discuss the basics of how it works, why we are pursuing it as a common platform for a JIS, and how it provides a place to house common, shared messaging tools/resources. Williams will also discuss how the tool is being used to conduct training and statewide PIO-participant exercises.

Bring: A laptop so that you can explore the tool and participate.

About the Presenter: *Brandon Williams is Colorado's Division of Emergency Management PIO. He joined the Division in Spring 2009, after having served as a PIO with Lake Dillon Fire-Rescue in Summit County. Brandon has several years with the Bureau of Industry and Security, Treaty Compliance Division. In his pre-Colorado life, Brandon served as an analyst/Advance Team Leader for international nonproliferation treaty implementation efforts and as a Diplomat on the U.S. Delegation to the Organization for the Prohibition of Chemical Weapons at the U.S. Embassy - The Hague, Netherlands. He is a graduate of Baylor University with a BA in History and an MA in International Relations.*
