REQUEST FOR SPEAKER PROPOSALS

The ESPIOC board is now accepting proposals for educational presentations for the 2012 ESPIOC conference in Estes Park, Colorado. This is a great opportunity for you to share your knowledge and expertise with public information officers and marketing professionals from regional fire, EMS, law enforcement, health care, emergency management and related fields.

Breakout sessions will likely be 75 to 90 minutes in length, and should include a few minutes for questions and answers. We are also accepting proposals for keynote presentations.

You may submit as many proposals as you like, but please submit only one proposal per form. All proposals will be reviewed by the ESPIOC conference planning committee. Selections will be based on relevance, practical application, fit with the other conference presentations, and the presenter's experience.

Deadline for proposal submission is December 16, 2011.

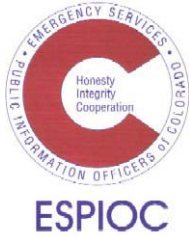

We expect to make selections by mid-January and will notify you ASAP if you are selected.

Compensation:

- In-state presenters: *Hotel accommodations for one night, up to \$120 mileage reimbursement.*
- Out-of-state presenters: *Hotel accommodations for up to two nights, reasonable airfare, ground transportation to and from DIA.*
- Additional speaker fees will be reviewed on a case-by-case basis.

Questions? Please contact Andrea Burns, community relations manager at the Jefferson County Sheriff's Office, at 303.271.5577.

Complete the form below and return it to Andrea Burns at aburns@jeffco.us or 303.271.5500 (fax).
